Praise and Prayer Items – April 2017

This week, Wat and his son Joseph will go to Chen Now in Northern Thailand. They will help one of the members of the church that Wat pastors build a house for his mother. Please pray for safety and a good time of father-son bonding.

Wednesday this week, the whole of Wat's family will travel together to Wat's home town. There will be a big celebration of the Hmong church separating from the Chinese section of the Church of Christ Thailand. This is a praise item as the Hmong church has grown to the point where it will become a separate division, the Hmong Division of the Church of Christ Thailand.

On April 28, there will be a Wycliffe Café held in Bangkok. University students, pastors, leaders and church members are invited. Wat, Jimmie, Bob and Yo, Jon and Bam will be planning, coordinating and leading this event. Pray for a great turnout and a challenging, impactful presentation to those invited.

June EFL Workshop in Chiang Mai. Pray for people to attend this workshop and pray for the team from Bethany involved with teaching and assisting at the workshop.

Ying and Saro, the two young women planning to come to Calgary. Pray for the preparation and approval of their visa applications. The optimum time for their arrival would be in late August, in time for Bethany program start ups and English classes beginning in the fall.

Wat and Jimmie's family. The three boys are still on school holidays until May 16. The boys have been enrolled in summer school but there is some concern for the remaining time. They had hoped to send the boys to DVBS at Wat's former church but that has not worked out. So there may be a couple of weeks where the boys are left alone at home, watching TV all day. ■
